Smooth Grip Design**

Leather Steering Wheel Cover

Plasticolor's Harley-Davidson® **Genuine Leather** premium steering wheel cover is built with quality and style.

Designed to fit steering wheels 14.5" x 15".

Holds its shape and adds comfort and style to any vehicle while protecting the vehicle's original steering wheel.

Provides a quality grip during cold or hot weather.

SEAT COVERS

SIDELESS

Seat Covers

- Tested for function in a real world environment.
- Adds comfort to any vehicle while protecting the vehicle's original seat cover from wear, tear, dirt, spills and sweat.
- Every seat cover comes with a spacious cargo pocket built into the backside of the seat.
- Made of durable, "leather-like" easy to clean material.
- Easy to install with three separate pieces to cover the headrest, back & bottom seat areas.
